NOTES

AUSA Young Professionals “is the association for young professionals and emerging leaders who are Soldiers, veterans, family members, government civilians, or supporters of the Army and in search of development and networking opportunities. (AUSA YP) is a national initiative to increase interest in AUSA among young professionals by providing value through professional development activities, leadership positions, and membership benefits.”

<http://www.ausa.org/young-professionals>

AUSA's Family Readiness Directorate “is dedicated to providing Army families the tools and resources they need to help them manage the challenges of the military life cycle. Through four pillars of support, education, information, advocacy, and outreach, AUSA Family Readiness aims to connect with Army families, both past and present, in tangible and impactful ways”.

<http://www.ausa.org/militaryfamily>

AUSA Directorate of Government Affairs

“coordinates AUSA’s activities related to the U.S. Congress and the Executive Branch. We advocate for the Army, soldiers (past, present, and future) and their families. The Directorate monitors congressional activity and reports to our members to ensure they are well-informed.”
